CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

Our disclosure and analysis in this Current Report on Form 8-K contains some forward-looking statements. Certain of the matters discussed concerning our operations, cash flows, financial position, economic performance and financial condition, including, in particular, future sales, product demand, the market for our products in the People's Republic of China and elsewhere, competition, exchange rate fluctuations and the effect of economic conditions include forward-looking statements.

Statements that are predictive in nature, that depend upon or refer to future events or conditions or that include words such as "expects," "anticipates," "intends," "plans," "believes," "estimates" and similar expressions are forward-looking statements. Although we believe that these statements are based upon reasonable assumptions, including projections of orders, sales, operating margins, earnings, cash flow, research and development costs, working capital, capital expenditures and other projections, they are subject to several risks and uncertainties.

Investors are cautioned that our forward-looking statements are not guarantees of future performance and the actual results or developments may differ materially from the expectations expressed in the forward-looking statements.

As for the forward-looking statements that relate to future financial results and other projections, actual results will be different due to the inherent uncertainty of estimates, forecasts and projections may be better or worse than projected. Given these uncertainties, you should not place any reliance on these forward-looking statements. These forward-looking statements also represent our estimates and assumptions only as of the date that they were made. We expressly disclaim a duty to provide updates to these forward-looking statements, and the estimates and assumptions associated with them, after the date of this filing to reflect events or changes in circumstances or changes in expectations or the occurrence of anticipated events. You are advised, however, to consult any additional disclosures we make in our reports on Form 10-KSB, Form 10-QSB, Form 8-K, or their successors.

Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.

On February 26, 2008 the Company has acquired all of the issued and outstanding capital stock (the “Pacific Industry Shares”) of Pacific Industry Holding Group Co. Ltd., a Vanuatu corporation (“Pacific Industry”) through a share exchange (the “Share Exchange”) in which the Company issued an aggregate of 1,000,000 shares of its Series A Convertible Preferred Stock, par value \$.001 per share to Pacific Industry’s shareholders in exchange for the Pacific Industry Shares. As a result of the Share Exchange, the former shareholders of Pacific Industry assumed control of the Company.

On February 26, 2008 the Company also consummated a private placement of the Company’s Series B Convertible Preferred Stock, par value \$.001 per share to two investors (the “Private Placement”). For more information concerning the Share Exchange and Private Placement, please see Item 1.01 - “Entry into a Material Definitive Agreement” in the Company’s Current Report on Form 8-K filed with the Securities and Exchange Commission on February 28, 2008.

In connection with the consummation of the Share Exchange, Joseph I. Emas resigned as a director of the Company effective ten days after the mailing to our stockholders of an Information Statement pursuant to Section 14(f) of the Securities Exchange Act of 1934 and Rule 14f-1 thereunder (the “14F-1 Statement”). In addition, Xiaoqin Yan and Guolin Wang were appointed as our directors effective ten days after the mailing of the 14F-1 Statement.

The 14F-1 Statement was mailed to our stockholders on March 28, 2008 and, therefore, the foregoing resignation and elections all became effective on April 7, 2008.
