Item 4.01. Changes in Registrant's Certifying Accountant.**(a) Dismissal of Independent Registered Public Accounting Firm**

On January 9, 2019, the Audit Committee of the Board of Directors of Future FinTech Group, Inc. (the "Company") dismissed Wang Certified Public Accountant P.C. ("Wang") as the Company's independent registered public accounting firm for the fiscal year ended December 31, 2018, effective immediately.

Wang's audit reports on the Company's consolidated financial statements as of and for the fiscal years ended December 31, 2017 and December 31, 2016 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended December 31, 2017 and December 31, 2016, and in the subsequent interim period through January 8, 2019, there were (i) no disagreements between the Company and Wang on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Wang, would have caused Wang to make reference to the subject matter of the disagreement in their reports on the financial statements for such years, and (ii) no "reportable events" as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

The Company provided Wang with a copy of the disclosures it is making in this Current Report on Form 8-K (the "Report") prior to the time the Report was filed with the Securities and Exchange Commission (the "SEC"). The Company requested that Wang furnish a letter addressed to the SEC stating whether or not it agrees with the statements made herein as soon as possible. The Company will file the letter from Wang as an amendment to this Report within two business days of receipt.

During the Company's two most recent fiscal years ended December 31, 2017 and December 31, 2016 and through January 8, 2019, neither the Company nor anyone on its behalf consulted Yu regarding (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the consolidated financial statements of the Company; or (ii) any matter that was either the subject of a disagreement or a reportable event as described above; and there was neither a written report nor was oral advice provided to the Company by Yu that was an important factor considered by the Company in reaching a decision as to an accounting, auditing or financial reporting issue.
